

TRANSPORTATION OPERATORS NOTICE

**Anticipated surge in transportation demand during the
2025 Rotary International Convention**

Exciting news! The **2025 Rotary International Convention** is coming to Calgary with peak visitation from **June 19 – 27, 2025**, with guest arrival beginning as early as June 16, 2025. Approximately 15,000 attendees will be staying throughout the city with the main events taking place in the downtown core.

We are anticipating **higher-than-normal demand** for rideshare services, taxis, and rentals, particularly around:

- **Stampede Park** and downtown/ East Village
- **Northeast /Southeast /Southwest /University hotels.** Rotary will be providing shuttles from designated hotels outside of the downtown core to the Rotary International Convention at Stampede Park, however there may be periods of increased demand for taxis and rideshare services from hotels in all quadrants.
- **Entertainment districts** and major attractions
- **The Calgary Airport:** primarily between June 16-22 and June 25-27
- **Peak travel times:** early mornings, late afternoons, and evenings

Please use the [Rotary International Convention schedules](#) as a guide for your resource planning.

We encourage your teams to plan for additional drivers and vehicle availability during this period to help ensure smooth, reliable service for our visitors. Keep in mind that this event will be directly following G7 when we also anticipate high demand for services.

Further logistical updates, including any designated pick-up/drop-off zones near Stampede Park, will be shared as event dates approach.

Thank you for your continued partnership in showcasing Calgary's signature hospitality to a global audience.
