ORDINANCE

WHEREAS, As the City of Chicago confronts the unprecedented public health crisis of the COVID-19 pandemic, it is critical that the City take swift action to ensure the safety of our residents while supporting Essential Business and Operations necessary to implement Governor JB Pritzker's Stay at Home order of March 20, 2020 (Executive Order 2020-10); and

WHEREAS, Due to the rapidly spreading nature of the COVID-19, the Mayor and City Council of the City of Chicago have declared an urgent need to pass this ordinance immediately to protect the health of Chicago's residents when patronizing Essential Business and Operations; and

WHEREAS, In accordance with the Illinois Municipal Code (65 ILCS 5/1-2-4), the Mayor and the City Council of the City of Chicago find that it is urgent for this Ordinance to take effect immediately upon passage; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Whenever used in this Ordinance, the following words and phrases shall have the following meanings:

"Employer" means an owner, manager, or operator of any Essential Business and Operations who employs a worker or engages an independent contractor in connection with such Essential Business and Operations or to perform an essential service for an Essential Business and Operations, other than any unit of government. To qualify as an employer, such owner, manager, or operator must (a) maintain a business facility within the geographic boundaries of the City and/or (b) be subject to one or more of the license requirements in Title 4 of the Municipal Code of the City of Chicago.

"Essential Business and Operations" has the meaning ascribed to the term "Essential Business and Operations" in Executive Order 2020-10.

"Face Covering" means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers only the nose and mouth and surrounding areas of the lower face. A Face Covering may be factory-made, or may be handmade and improvised from ordinary household materials, such as scarves and bandanas.

"Stay at Home order" means Executive Order 2020-10, Executive Order 2020-18, any extension of either such Executive Order, and any subsequent order related to the COVID-19 pandemic issued by the Governor of Illinois or the Mayor of the City of Chicago that orders nonessential workers within the City of Chicago to Stay at Home or at their place of residence, except for essential needs and activities, essential government functions, and Essential Business and Operations and operations.

"Worker" means any person who performs services for wages for an Essential Business and Operations or to perform an essential service on behalf of an Essential Business and Operations including both employees and independent contractors.

SECTION 2. Any individual who is over age two and able to medically tolerate a face-covering shall be required to cover their nose and mouth with a mask or cloth face-covering when in a public place and unable to maintain, or when not maintaining, social distance.

SECTION 3. Any person utilizing public or private transportation carriers or other for-hire vehicles, who is over age two and able to medically tolerate a Face Covering, shall wear a mask or Face Covering over the nose and mouth during any such trip; any person who is operating such public or private transport, shall likewise wear a Face Covering or mask which covers the nose and mouth while there are any passengers in such vehicle.

SECTION 4. The City and all employers of workers of Essential Business and Operations and Operations shall provide, at the employer's expense, Face Coverings for each of their respective workers, and shall require all workers to wear such Face Coverings while such workers are performing services for the employer and engaging in person-to-person interactions with the public or other workers. Such Face Coverings must cover the nose and mouth and may be non-medical grade fabric coverings, such as scarves and bandanas.

SECTION 5. All workers shall wear Face Coverings over their noses and mouths while such workers are performing services for the employer and engaging in a person-to-person interaction with the public or other workers.
