PARTICIPATION AGREEMENT: I give permission for my child to participate on field trips, including water activities, and be transported in JCC designated vehicles (applicable only to campers entering grades K–10). My child may participate in any and all activities at the JCC, including those involving water. I give my permission to the JCC to use without limitation and obligation, photographs, film footage, or video recordings which may include my (or my family's) image or voice for purposes of promoting or interpreting JCC programs through advertising, social media, or other means. Should I prefer for these images of footage to not be used, I will inform the JCC staff in writing. Should you prefer to not allow the JCC to use the image or footage, the JCC will do its best to not use it, however, it cannot be guaranteed. If the image or footage is used and then later discovered, it will be removed and/or not used again. Participation in any JCC activities and use of any recreational facilities involves a risk of accidental injury despite all safety precautions. Having been informed of the activities, including being transported by bus, to be conducted by the Alper Jewish Community Center, I/we as individuals or as a parent/guardian of the participants named herein, assume all risks and hazards incidental to the activities, and release from responsibility and agree to indemnify and hold harmless the Alper Jewish Community Center, its officers, directors, independent contractors, volunteers, and all employees for any illness or injury to me or my children or family members occurring during his/her participation in any activities or use of any recreational facilities at or conducted by the Alper Jewish Community Center. I understand and certify that my child's participation in the JCC program is completely voluntary. I understand that certain hazards and dangers are inherent in the JCC program, and I acknowledge that although the JCC has taken measures to minimize risk of injury to its participants, the JCC cannot guarantee that the activities will be free of accidents or injuries. Furthermore, I have instructed my child in the importance of abiding by the JCC's rules and procedures for the safety of the participants. The authorization granted herein will be used only when absolutely necessary and every attempt has been made to contact parent or guardian.
