

The Shirley Bradley Memorial Innovation Award

The Shirley Bradley Memorial Innovation Award (SBMIA) is a symbol of distinction. It recognizes APIC NE members who are curious, creative, innovative, novel in approach, and initiators of new techniques/ideas. This award gives members the opportunity to share their noteworthy ideas and innovations. APIC New England will benefit from learning more about the excellent work its members have been doing to prevent infection!

The following application information must be filled out completely to be considered for this award; if the space provided below is not sufficient, additional information can be attached.

Name and credentials:

Work facility, city, state, phone number, and email address:
