Collective Principles that Define Us – We Are Always Committed to...

People and Public Service

Building Common Ground

Partnering Across Sectors
Key Levers that We are Focused on Pulling in 2020 Through a *Race Equity Lens*

- **Integrating Policy**: Align resources across sectors to drive shared outcomes.
- **Leveraging Modern Platforms**: Capture insights, create efficiencies, and support informed decisions.
- **Investing in Outcomes**: Build capacity and increase evidence of what works.
- **Partnering for Impact**: Co-create solutions to accelerate systems-level transformation.
