

Our Lady of Guadalupe

A parish with open arms and caring hearts

October 17 and 24, 2021

“Rather, whoever wishes to be great among you will be your servant; whoever wishes to be first among you will be the slave of all. For the Son of Man did not come to be served but to serve and to give his life as a ransom for many.”

-Mark 10:43-45

We thank you for opening the hearts of many to those who are fleeing for their lives. Help us now to open our arms in welcome, and reach out our hands in support. That the desperate may find new hope, and lives torn apart be restored. We ask this in the name of Jesus Christ who fled persecution at his birth and at his last, triumphed over death.

Pastor's Page

Dear Sisters and Brothers in Christ,

I've been wanting to update you all on the progress of our "Tabernacle Project" at OLG. The project that will be underwritten by the rebate we are receiving from this year's Annual Catholic Appeal, and by the additional matching contributions donated specifically for this project. The OLG Liturgy Commission recently completed the first step, namely, to determine which part of the church would offer the best placement for the tabernacle. Several options were considered, and the strongest consensus favored using the southwest corner of the church as the most advantageous location, all things considered. Each option we discussed had its own strengths and weakness, its own pros and cons, but the southwest corner had by far the greatest appeal.

The next step now is to convene a steering committee of around eight to ten parishioners whose task it will be to determine the specific artistic and aesthetic elements of the project, and how these aspects will dovetail with the liturgical principles and requirements that apply to the tabernacle and to its use in our Catholic life of prayer and worship. To this end, we have also begun working with an artistic design studio, Atelierjones, Ltd., that has had a long and fruitful collaboration with several parishes in the Archdiocese of Seattle, and with other Christian churches. For example, the design artists at Atelierjones were responsible for the beautiful Marian prayer alcove in Saint James Cathedral. Susan Jones, the studio's founder and director, has already visited OLG to begin learning about the basic ideas and intentions we have in regard to the placement of the tabernacle, and to start dreaming and imagining with us what might be both beautiful and functional—as well as affordable. Some exciting and attractive ideas have already begun to emerge.

More details will be forthcoming as the project continues moving forward. I ask everyone to please begin praying for the success of this effort, that our time, our energy, our gifts and our resources will produce something that is pleasing to God, attractive and compelling to all who behold it, and worthy of the mystery it is meant to put us in touch with—namely, Christ's enduring presence in the midst of his people.

Grace and peace,

Fr. Kevin

Confirmation Preparation

This past weekend, 21 7th/8th grade students participated in a retreat to begin preparation for Confirmation this year. Please be praying for these young candidates for this season of prayer and discernment in their lives.

Volunteers Needed To Help Organize Church Pews

This job entails restocking the pews along with putting the Breaking Bread and Spirit & Song books back into their proper order. Since we are only using every other pew right now, it is half the work!! It would be great to have two to three "teams" who can rotate each week. Great ministry for a family. Home Ministries

Have you ever wanted to serve the Homebound in our community? If you feel called by the Holy Spirit, we have a place for you as a Eucharistic Minister! For more information, please call Marion Kari at 206-935-0358, Ext. 113 or email marionk@olgseattle.org.

Family Faith Formation Autumn Altar

As a family, set aside a place in the home for an Autumn altar. Place upon your altar a cloth in a fall shade of green, the family Bible, a candle, and then take a walk together. Invite each family member to find one or two items of nature to place upon your Autumn altar. This altar will be a sign for your family that Jesus is present in your home all fall. This can be a wonderful place to gather for evening prayer, Sunday, Sabbath prayer or when ever you pray as a family.

Autumn Prayer

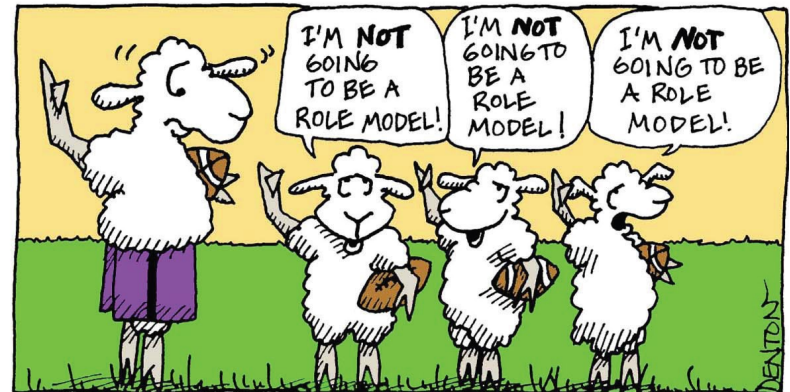

God of all seasons, we give thanks to you for the season of Autumn.

We give thanks for the fall harvest, and we are filled with gratitude for receiving the bounty from the land.

We give thanks for the change of seasons that reveals the cycle of life.

God of all seasons, as you transform the earth, we ask that you transform us as a family by your Holy Spirit.

Amen

#PrayForCOP26

**Add your boat to the online fleet
and call on leaders to take action.**

The 26th UN Climate Change Conference of the Parties (COP26) will take place in Glasgow on **October 31-November 12**. The COP26 summit will bring parties together to accelerate action towards the goals of the Paris Agreement and the UN Framework Convention on Climate Change. People of faith from around the world are organizing a massive prayer effort, calling upon the Holy Spirit to inspire the participants to do all they can to protect all of God's creation. One way that you can participate in this effort is to send a prayer boat to COP26. Why prayer boats?

Young Christian Climate Network (YCCN) are carrying a model boat on their pilgrimage, representing our hopes to set sail towards a more just future. Taking inspiration from YCCN's boat, people are asked to create a prayer boat, together with your church. You can display your boats as a focus for prayer, add them to our online fleet, use them to advocate for climate justice with our legislators and Church leaders, and send them to COP26. Your prayer boats will join with thousands of others in Glasgow and help us make sure decision makers cannot ignore our calls for action. For more information, including how to build your prayer boats, go to <https://www.christianaid.org.uk/pray/prayer-chain>

World Mission Sunday

One Sunday for the whole world.

On this World Mission Sunday, Pope Francis reminds us of our baptismal call - to respond as missionaries, saying "we cannot but speak about what we have seen and heard" (Acts 4:20). Today we respond to that call, through our prayers and personal sacrifices for our brothers and sisters in the Missions - in places like Uganda where people face food uncertainty and violence....in the Philippines where local clergy face martyrdom...in Oceania where people's livelihoods are threatened by climate change...and in remote regions of Latin America where people are hearing the Gospel for the first time. Respond this World Mission Sunday by supporting the priests, religious Sisters and Brothers, and lay catechists who provide loving service to those most in need. Thank You!
