Pastor's Page

Dear Sisters and Brothers in Christ,

As all are aware, the safety measures we've been observing to try and ensure everyone's protection from the COVID-19 pandemic have begun to be relaxed, and even eliminated. The wearing of masks and face coverings, while still strongly encouraged, are now optional and not required. All sorts of commercial and recreational activities are returning and gaining momentum. Catholic Churches and other Christian and religious communities have begun to restore at least some of the worship practices that have been prohibited or drastically curtailed for so many long months now.

As the State of Washington "reopens" from the pandemic closures, the Archdiocese of Seattle is also getting word out to assist Catholic parishes with regard to celebrations of the Mass. While these new steps do represent a gradual move toward restoring at least some pre-pandemic practices, we must also remember that COVID-19 is still present in all our communities, and therefore care, prudence and pastoral discretion must guide us as we continue forward. Here are some changes that we can begin to embrace over the course of the next couple of months:

NOW

- Masks are **strongly** encouraged, but no longer required.
- People are to screen themselves for COVID-19 symptoms.
- Registration for Mass will not be required.
- Communion may be received in the hand or on the tongue, but both methods require care and adherence to safety measures on the part of the person receiving.

JULY 24th & 25th

- Return of Holy Water to baptismal fonts and blessing stations.
- The Sign of Peace may be exchanged via physical contact—e. g., a handshake.
- The Presentation of the Gifts will once again be done by the faithful.

AUGUST 28th & 29th

- Children's Liturgy of the Word may return.
- Congregational singing may be allowed and encouraged.

Some matters will remain unchanged until further notice, such as the dispensation from the Sunday obligation to attend Mass, the Precious Blood will not be distributed to the laity, the livestreaming of Mass will continue, and no "close contact" gatherings will be permitted either before or after Mass.

As we make these changes, let us remain careful to protect and respect one another, and to maintain the reverent and welcoming atmosphere that has always been our goal for the liturgies at OLG.

God bless you—each and all,

Fr. Kevin

Are You An Adult Who Has Not Yet Been Confirmed?

Confirmation is an important sacrament that completes a person's full initiation into the Catholic Church. It makes it possible for you to be a godparent, a sponsor and be married in the Catholic Church. A new series of seven to eight classes (by Zoom) will begin in August.

Contact Helen, heleno@olgseattle.org

Volunteers Needed To Operate Camera For Daily Masses

We will continue livestreaming our daily masses but need more volunteers to help operate the camera. It is easier than you think and you can "shadow" the operation as long as needed until you feel comfortable to go solo! Contact Helen, heleno@olgseattle.org

Congratulations And God's Blessings

To Mason Mataela, and Violet and Joseph Cho, who recently celebrated their First Communion. May they continue to grow in their love for Jesus in the years to come.

Open Wide Our Hearts

Summer Series

What Makes a Person?

As a family, talk about what makes someone a person, and make a list of all your favorite people you know or admire. This list can include people you know, or you can add sports figures and famous people. After you have brainstormed your list, discuss the following reflection question:

How do you know each of these people is a person? (Some possible responses: everyone has a body, a name, a family etc.)

Talk about our Catholic faith beliefs that each person is made by God and God's image is present in every one of the people on your brainstorming list and in each member of your family. God's love is for everyone, every person in the world and because of that love that God has for each of us, we are called to love our neighbor and by doing so, we treat everyone with respect and dignity. As followers of Jesus, we show our love for God by how we treat our families, friends, and others. We believe that God is present in each of us.

Reflection Questions to discuss as a family:

- Have each member say one special thing about each family member.
- We know God created all the unique things about each of us, so we treat one another with love and dignity. List five ways each member can show someone respect.
- In our at OLG, we have members who come from many wonderful different cultures and traditions. As a family, can you name the different cultures and traditions we have at OLG?
- How can you show your love and respect for these different cultures and traditions? Talk about how you as a family can participate in the wonderful cultural traditions we have at OLG this year to learn more about them.

Loving God, Help each of us to be vessels of your love, and treat each other with love, dignity and respect. We ask this in Jesus' name. Amen

"He instructed them to take nothing for the journey besides a walking stick—no food, no sack, no money."

Sheepish Question:

What practical matters worry me as I keep my eyes on the Gospel's prize?

This Week's Readings at Mass Leave It All Behind

- **Amos 7:12-15** - Amos called by God to prophecy.
- **Ephesians 1:3-14** - Blessing for Jew and Gentile
- **Mark 6:7-13** - The mission of the Twelve

Questions of the Week

1. What material comforts might Jesus be inviting you to leave behind to be a freer and more faithful disciple?
2. When have you felt the call to shake the dust from your feet and leave (a relationship, job, etc.) to go somewhere else where you are welcome?

July 13 ***A Hidden Life***

A Hidden Life is a 2019 epic historical drama film that depicts the life of Franz Jägerstätter, an Austrian farmer and devout Catholic who refused to fight for the Nazis in World War II. The title was taken from George Eliot's book Middlemarch, which in turn derives it from a phrase found in the New Testament, the Epistle to the Colossians 3:3: "For you died, and [now] your life is hidden with Christ in God." *Rated PG-13*

August 10 ***Same Kind of Different as Me***

An inspirational true story about two men from drastically different backgrounds who develop a surprising bond that will lead them on the most remarkable journey of their lives and forge an everlasting friendship. *Rated PG-13*

September 14 ***Finding Grace***

A troubled teenage girl's life is turned upside down when she is forced to provide community service in a retirement home. As she develops a close friendship with one of the residents, she learns that giving is greater than receiving and she is forever changed when she discovers the power of family, hope, and faith through the strength of her devoted single father. *Rated PG-13*

Archdiocese of Seattle Bishops Express Sorrow for Native Americans

Seattle, Wash., July 6, 2021 – Today we wish to address our Native American brothers and sisters. While we recognize that each individual tribe in our own archdiocese and across the continent has had a differing experience with the Catholic Church, we wish to acknowledge the real pain that our Native American brothers and sisters are feeling at this time.

The recent discovery of the unmarked children's graves in Canada is heartbreaking, not only for those nations but for all people. We wish to stand in solidarity with them as the story behind these graves comes to light.

In the Archdiocese of Seattle, we have had a long history with our Native American brothers and sisters. Our relationship with different tribes over time has been both positive, and sadly, potentially harmful at times. To better understand our own history and ensure continued openhearted relationships with all the tribes, we will be partnering with our Native American Advisory Board. This group of leaders from several regional tribes will help guide our efforts moving forward. We wish to thank them in advance for their partnership and their willingness to share their gifts of time and talent.

We are all children of God, connected to each other and the world around us. We ask everyone to pray for the healing and strength of our Native American brothers and sisters - and for each other. We continue to pray for you as we stand in solidarity with everyone who has been harmed by the Church.

SERVE

Join the Life, Justice, and Peace Commission

Did you know that OLG has a Life, Justice, and Peace Commission? In its 8th year, the LJP Commission aims to integrate Catholic social teaching into the life of the parish and seeks to offer parishioners a way to live out their call to love God and neighbor by providing opportunities for service, advocacy, and education. This year, we will focus on racial justice and the upcoming Seattle City Council elections in addition to other efforts. Our next meeting is **Thursday, July 15th at 7:00 p.m.** If you are interested in learning more and potentially joining us in this ministry, contact Jennifer at jibach@olgseattle.org or 206-935-0358 x.120.

JV EnCorps Program for Adults 50+yo

Looking for ways to serve in community and faith? Jesuit Volunteer EnCorps facilitates fulfilling opportunities for service, community, and spiritual formation for adults 50+ who are committed to social and ecological justice. In addition to part-time volunteer service, members meet monthly online or in-person, creating spiritual community through shared reflection. Values are rooted in the Catholic Ignatian tradition and JV EnCorps is an inclusive and welcoming community of folks from all faith perspectives. Already engaged in service through your parish ministry or a local nonprofit organization? JV EnCorps could be the perfect way for you to add additional support, reflection, and personal growth to your current service. **Priority application deadline: August 31st.** Opening Retreat in **September**. GIVE

Help Support the Youth Migrant Project

With some COVID restrictions still in place, 7 teens will be doing an abbreviated version of the Youth Migrant Project this summer. While much has changed about the trip this year, the need has not. We may not be able to do everything, but we can still collect items to help the migrant workers and families living in the Skagit Valley. We will be collecting non-perishable food items (canned goods, pasta, oatmeal, cereal, etc.), toiletries for arriving migrant families (shampoo, toothpaste, toothbrushes, etc.), diaper wipes, and diapers size 5 and 6. You can leave your donation in the bin in the church or at the Pastoral Center through **Thursday, July 22**. If you would like to make a monetary donation, we've made it easy by adding **YMP to our online giving page**. You can also donate at Mass (please make out checks to "OLG" with "YMP" in the memo). Thank you for your continued generosity!

GIVE (Continued)

Help Stock our St. Vincent de Paul Pantry

When neighbors in need call, our wonderful Vincentian volunteers are there to respond with caring support and tangible assistance. They help with rent and utilities as well as bring bags of food to those experiencing hunger. Unfortunately, our pantry is very low on food and supplies, limiting their ability to help. Please consider donating non-perishable food, hygiene items (shampoo, toothpaste, etc.), diapers, and cleaning supplies. We are now able to resume our collection of items at in-person Masses (look for the basket by the baptismal font) and continue to accept donations at the Pastoral Center. Thank you for your ongoing generosity!

Catholic Relief Services: Donate Your Old Vehicles

Help support the programs of Catholic Relief Services by donating your used car, truck, boat or motorcycle! The vehicle can be running or not! It's easy to do: Just fill out a form online at <http://bit.ly/2Na59CE> and a representative will contact you to schedule a pickup or call 855-990-4483 toll-free! You will receive a tax benefit from the total sale and CRS will receive 80% of the sale price. Thank you for supporting Catholic Relief Services!

"God Is On Your Side": A Statement From Catholic Bishops On Protecting LGBT Youth

Our parish recently joined St. James Cathedral Seattle, St. Joseph Seattle, and St. Leo the Great Tacoma parishes in signing on to the "God is on your Side" statement. The statement, signed by 14 U.S. Catholic Bishops, stands with at-risk LGBT youth in our country. The letter states, in part, "As we see in the Gospels, Jesus Christ taught love, mercy, and welcome for all people, especially for those who felt persecuted or marginalized in any way...The Catholic Church values the God-given dignity of all human life and we take this opportunity to say to our LGBT friends, especially young people, that we stand with you and oppose any form of violence, bullying or harassment directed at you. Most of all, know that God created you, God loves you and God is on your side." -1 Corinthians 4:2

Many, many thanks to those who were able to continue, and even increase, their financial contributions this past year to OLG through your faithful and generous stewardship of treasure. We know these were challenging times for many as we struggled amid the economic, physical, and emotional impacts of COVID.

Through it all we were blessed with the generosity of our OLG community and able to continue to support all our ministries.
