Kids In Worship—Prayground

Our Saviour's loves kids in worship! The Prayground is a space for younger kids to enjoy playing while watching and listening to worship. Parents are encouraged to stay nearby and remind children to keep engaged with quiet play and quiet talking while also seeing what's going on with worship.

10:15 Kids' Time:

Kids head out to the Gathering Space for an activity during the sermon time, and come back for the rest of the service.

HOLY COMMUNION

All are welcome to receive Communion at Our Saviour's.

You may commune in place with a Communion kit or come forward.

Gluten Free wafers are available at the front of each section for you to pick up as you come forward. If you cannot have any gluten cross-contamination, you can also dip in the cups of wine on the stands.

Servers are available to serve those who wish to commune in place. Simply give them a wave when they begin to look around after serving their section. Communion kits are available from the ushers if you prefer.

OSLC WEEKLY ANNOUNCEMENTS

Sermon Series: What Happens Next?

Easter is not the end of the story. It is the beginning. In the book of Acts, we discover something powerful. Once-fearful disciples now refuse to be silent. Ordinary, imperfect people become a Spirit-filled movement. Today, Christ is still at work through the church. Come see how the Holy Spirit is still calling the church today. Come see God's welcome is bigger than we imagined! Come see what happens next.

- May 31: Grace Changes Everything—Acts 9:1-19

OFFERING DURING WORSHIP

At Our Saviour's, giving is understood as an act of worship because it is a faithful response to God's love rather than an obligation or transaction. Rooted in gratitude for all that God has given—especially the hope we have through Jesus—our offerings become a way to honor God, participate in God's work in the world, and live out our calling as stewards of creation. We have brought back the practice of "passing the plate" during the service to acknowledge our giving as an act of worship. Music allows this to be a reflective time as we give thanks for all God has given us. For those who give online, cards are in the pew pockets, and can be placed in the offering plate to participate in the worship practice of giving.

TECHNOLOGY LEAD RETIRING

After eight years of faithful service as OSLC's Tech Lead, Jon Oachs, will be retiring from the sound booth at the end of June. Throughout his years of ministry at OSLC, Jon has been an essential part of worship and church life. He has built a strong and dedicated team of tech booth volunteers, coordinated audio and lighting for major events such as the Christmas Concert and outdoor Bluegrass services, organized and upgraded countless pieces of technology, maintained the worship stage with care and order, and faithfully troubleshooted the many challenges that come with technology ministry. We are deeply grateful for Jon's years of service and dedication, and we look forward to honoring his ministry with a celebration at the end of June.

We are Making Room! Items for Sale!

As we get ready for our upcoming construction/renovation project, we are needing to Make Room! Before demolition starts we have a number of items that we need to move out and are hoping others can benefit from our need to downsize.

- We have some booklets available at the Reception Desk that have larger items listed for sale. We are offering these items for a reasonable offer/donation. Please stop at the Reception Desk and take a look.

We are making these items available to the congregation first, today through Wednesday, June 3rd. After June 3rd, any remaining items will be listed on Facebook Marketplace or donated to local non profits. Contact Jim Zeik at jzeik@oursaviourslc.org with your reasonable offers or questions.

Thanks to a special gift this year, we don't need to charge for VBS, and we are able to offer it for free. We are excited for this gift and encourage you to invite a friend, a neighbor or someone in the community! We do need registrations ahead of time for permission slips and allergy information if applicable. **Registration Deadline is July 20.** Scan the QR code to get started. Questions?
