Kids In Worship—Prayground

Our Saviour's loves kids in worship! The Prayground is a space for younger kids to enjoy playing while watching and listening to worship. Parents are encouraged to stay nearby and remind children to keep engaged with quiet play and quiet talking while also seeing what's going on with worship.

10:15 Kids' Time:

Kids head out to the Gathering Space for an activity during the sermon time, and come back for the rest of the service.

HOLY COMMUNION

All are welcome to receive Communion at Our Saviour's.

You may commune in place with a Communion kit or come forward.

Gluten Free wafers are available at the front of each section for you to pick up as you come forward. If you cannot have any gluten cross-contamination, you can also dip in the cups of wine on the stands.

Servers are available to serve those who wish to commune in place. Simply give them a wave when they begin to look around after serving their section. Communion kits are available from the ushers if you prefer.

OSLC WEEKLY ANNOUNCEMENTS

Sermon Series: Then Sings My Soul

Our next sermon series, Then Sings My Soul, looks at how we are impacted by music. We will hear God's word proclaimed and God's promises professed as we sing these hymns together during worship and then reflect on what they mean for our lives. There are so many profound hymns and songs that praise God, and although we can't get to them all, we will examine four impactful pieces of music:

- How Great Thou Art
- Holy, Holy, Holy
- In Christ Alone
- My Life Flows On (How Can I Keep from Singing?)

Come sing and explore our faith together with these great pieces of music!

BUILDING PROJECT UPDATE

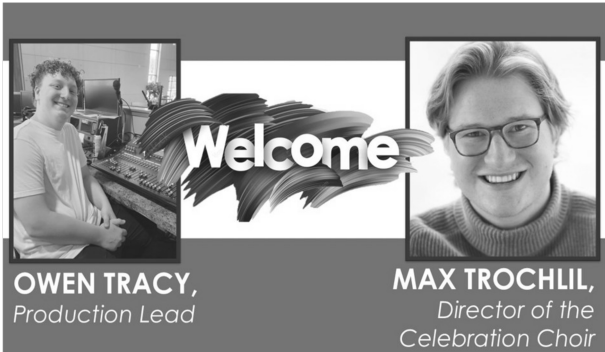

Our renovation project funding has been approved, and we have closed on our loan! The demolition stage of the project is well on its way. The construction schedule has been completed, which gives us a more concrete estimation of the duration for each phase of the project. We are still anticipating an early November completion date.

As we go through this phase of construction, we will make sure that spaces that are not accessible during the project are clearly marked. Thank you all for your support and flexibility as we move through this exciting time. We also ask your patience while staff works through the challenges.

OSLC MUSIC TEAM UPDATE

Our Saviour's is pleased to welcome two new members to our Music Department team! **Owen Tracy** has joined us as our new Production Lead and will oversee the audio, video, livestream, and technical aspects of worship, helping ensure a meaningful experience for those worshipping both in person and online. We are also excited to announce that our organist **Max Trochlil** will be expanding his role by stepping into the position of the Director of the Celebration Choir. We are excited to have them both on staff and look forward to the ways their talents and leadership will support the worship life of Our Saviour's.
