Kids In Worship—Prayground

Our Saviour's loves kids in worship! The Prayground is a space for younger kids to enjoy playing while watching and listening to worship. Parents are encouraged to stay nearby and remind children to keep engaged with quiet play and quiet talking while also seeing what's going on with worship.

10:15 Kids' Time:

Kids head out to the Gathering Space for an activity during the sermon time, and come back for the rest of the service.

HOLY COMMUNION

All are welcome to receive Communion at Our Saviour's.

You may commune in place with a Communion kit or come forward.

Gluten Free wafers are available at the front of each section for you to pick up as you come forward. If you cannot have any gluten cross-contamination, you can also dip in the cups of wine on the stands.

Servers are available to serve those who wish to commune in place. Simply give them a wave when they begin to look around after serving their section. Communion kits are available from the ushers if you prefer.

OSLC WEEKLY ANNOUNCEMENTS

Sermon Series: Meals That Change Everything

June 21-July 12

Throughout Scripture, some of the most transformative moments happen around a table. At tables, strangers become friends, sinners receive grace, doubts are restored, and Christ is revealed. This summer, we explore how God meets us — and changes us — through shared meals.

- July 5: When Jesus Hosts Breakfast John 21:1-14
- July 12: Recognizing Christ at the Table Luke 24:13-35

BUILDING PROJECT UPDATE

The closing date for our term loan and start of construction are in sight! We are now looking at the 2nd week of July for closing to be complete and construction to start. As soon as the date for demolition is set we will send out a notice and ask for volunteers. This light interior demo sweat equity saves \$20,100 for the project. Staff and volunteers have been working hard these past weeks to empty all the spaces that will be impacted by construction. Special thanks goes to the Hard Hats for their work this past Wednesday to help staff relocate to temporary shared office spaces. With the emptying of many rooms we brought a storage container on site. It was necessary to place it in the special needs parking lot, thus taking up several of those needed spots. If you need the special needs parking lot, please know there is still plenty of space for you. If, however, you are able to park in the main lot we do appreciate that, leaving the spaces for those with mobility issues. Many thanks for your caring for one another in this community!

UPCOMING BAPTISM CLASS

OSLC FINANCE UPDATE

We are well on our way to the dog days of summer with all of the heat, humidity and storms we've weathered already. Below are a couple of updates from the Finance Team.

- We are excited to announce that giving for our Making Room initiative has surpassed 50% of our \$1.4 million goal (actually 53%!!!). We are well on our way financially and believe that first demolition will be happening shortly!
- Along with summer, we again have the dog days of summer giving when many are at their cabins, at our children's sporting events and on long awaited summer vacations. Year to date congregation contributions are short about \$57,000 (5% of budget), which is a little further behind than usual at this time of year. Thankfully year-to-date operational expenses are slightly under what we budgeted at this point.

We give thanks for your generosity and diligence keeping those contributions coming so that we can most effectively Reach Out with a Voice of Hope throughout the summer and be on a firm foundation going into the fall. Thank you for all you have shared!

- Jason Moehring, Treasurer and OSLC Finance Team

Hymn Requests:

Have a favorite hymn?

Let us know! This summer we're taking hymn requests and using as many as possible during **8:30 worship**, within the bounds of copyright laws of course. Hopefully we'll get so many requests that we won't be able to get to them all!

Send hymn requests to Jennifer at jthurman@oursavioursslc.org.
