

NAVIGATING LIFE'S CHALLENGES

Open Positions Flemington, NJ

Licensed Therapist (full time or part time) to provide individual, group, and family counseling and case management to adolescent males in a group home setting. Licensed Clinical Social Worker, Licensed Marriage & Family Therapist, or Licensed Professional Counselor with experience in clinical services for adolescents. Provides and coordinates clinical services for youth in group home setting. As such, the majority of service provision occurs when residents are home and available to receive services (predominantly evenings and weekends).

Chief Operating Officer The ideal candidate will be a proven thought leader in the social services field with extensive experience in providing trauma informed care. Position often requires the provision of direct services to clients. Experience in staff supervision, contract negotiations, grant writing and programmatic compliance are all important skills in this role. The ideal candidate will be licensed (LPC, LMFT, or LCSW).

Decisions on employment are made on the basis of the qualifications and competency of individuals as they relate to the requirements of a position.

Salary is negotiable based on experience and qualifications. Some weekends and evenings are required. Benefits for fulltime positions include medical and dental insurance, PTO and 401k
