Rural Transportation Voucher Interviews

Are you a CIL consumer?  
Do you live in a rural area?  
Do you use transportation vouchers? (sometimes called “taxi vouchers” or “checks”)

If yes, we want to hear from you!

We are researching transportation vouchers in rural areas. We want to interview people with disabilities who use transportation vouchers.

As a participant, you will:
- Complete a 1-on-1, 30-60 minute interview over the phone or Zoom
- Receive $50 for your time

Your input will help identify the challenges and successes of transportation voucher programs and could make these programs better for users. Participation is optional, and you can change your mind even if you’ve already scheduled an interview. Your participation and identity will be kept confidential.
