

Save your money, time, and sanity on your next truckload shipment!

PartnerShip®, the company that manages the MLA Shipping Program, offers competitive rates on full and partial truckload shipments to all MLA members! PartnerShip has created relationships with thousands of national and regional truckload carriers to help you save time and money. Even when your freight shipment is a full or partial truckload, requires specialized equipment, or is being exported or imported – PartnerShip has the connections to help you with a solution in this tight-capacity segment of shipping.

You'll save valuable time. PartnerShip leverages their expertise to provide MLA members access to thousands of carriers and service options, including dry vans, flat beds, or refrigerated equipment. PartnerShip works on your shipment so you can focus on your business.

We'll reduce your risk. If you select a carrier on your own, you don't know exactly what you're going to get. PartnerShip runs daily reports on all of their carriers to ensure they have good safety records and that their operating authority and insurance are compliant.

You'll have peace of mind. PartnerShip has been around for 25 years. Their reputation and name speaks for itself in an industry where it can be hard to find a "partner" you can trust. With so much at stake – you can rest assured that you're working with the best in the business.

You'll get competitive and fair pricing. PartnerShip has the tools and expertise to find the right carrier at the right price. They know what the average rates are for every lane combination and use that knowledge to negotiate for you the absolute best price possible!
