Welcome to Southeast Kansas!

This is our 31st year, and we're going to Southeast Kansas – Flint Oaks Lodge. As this year's chairman, I hope the agenda meets your approval as you come to this great community and see the sights.

There are too many things to see to get a feel for the city in the short time we have together, so the agenda focuses on some of the high spots. We also have a line-up of outstanding speakers addressing very important topics.

We have beaten the drum for 31 years on the value of these meetings. There is no need to go over that again: If you come to one, we are sure you will want to come to another for the learning, camaraderie and really just to get away from it all for a couple of days.

Now is the time to mark your calendar: January 25-26. Don't pass up an opportunity for the enjoyment and fellowship these meetings have provided for 31 years. See you at the lodge!
