

# Do you help people experiencing or at risk of homelessness?

## Access Sacramento's largest source of federal funding. Maximize your impact.

The U.S. Department of Housing and Urban Development makes funding available (through our local Continuum of Care) for agencies which provide housing and homelessness services. Connect with us now to learn how to apply.

**You might be eligible if your agency:**

- Provides supportive services as part of helping people find or maintain housing
- Can follow federal rules, policies, and procedures for housing and service programs
- Can contribute the required 25 percent match
- Can manage a grant that reimburses costs after services are delivered
- Can track expenses, staff time, and the number of people served
- Has enough staff capacity to operate the program
- Is ready to begin services when the contract starts

**ATTEND THE WORKSHOP ON 12.02.2025**

**SUBMIT A LETTER OF INTEREST BY 12.05.2025**
