Encampments and Outreach	Total
# Designated Outreach Navigators	37
# Encampments Identified with 20+ individuals	43
# Encampments Identified with < 20 individuals	39
TOTAL Encampments Identified	82

- The Response Team pilot expansion of water bottle delivery to six sites with satellite delivery services for one month will begin on Monday. Additional methods for providing water continue to be assessed as well.
- A network of 28 volunteer groups, 20 groups funded by Donate4Sacramento, have been delivering food and water to encampments.

- Medical assistance has been provided to 47 encampment areas to date by volunteer medical students from UC Davis Medical School and California Northstate University, local health care providers and a Medical Integrated Health Unit, and by the WellSpace Health Street Nursing program.
- A private provider of trash removal services has been contracted for clean-up near sanitation station locations and in areas where food is distributed. This COVID related service augments clean-up occurring by the City and County.
- Servicing of sanitation stations is included with the deployment of the stations and will continue.

## Keeping Existing Emergency Shelters Safe and Operational

*This strategy ensures that existing shelters can safely remain open following CDC guidelines, moving vulnerable guests into COVID prevention care centers, and continuing to serve the general homeless populations.*

- Elica Health's Health on Wheels mobile clinic continues to visit eight congregate shelters per week to provide primary care, emergency dental services and testing for COVID-19.
- The Nurse Advice Line for shelter staff to access real-time, health services support is as follows: Monday-Friday 9-5PM and Saturday-Sunday 10AM-4PM.
- Held weekly calls with private and publicly funded shelters.

## COVID Testing

---

*County Public Health with medical partners are completing robust COVID testing at shelters, encampments and isolation/quarantine care centers with the goal of being able to do widespread testing to ensure the health and safety of people experiencing homelessness.*

Testing Locations	Testing Partner	# Tests Administered	Positive Results	Negative Results	Pending Tests
Shelters	Elica Health	183	0	183	0
Encampments	Joan Viteri Memorial Clinic	70	0	70	0
Isolation/Quarantine Care Centers	DHS Medical Staff	179	1	178	0

- Our COVID testing effort in shelters has concluded. Testing kits will continue to be available to shelters.
- The Department of Health Services provides 200 tests per week to the Joan Viteri Memorial Clinic (JVMC) medical team to test unsheltered people experiencing homelessness. Testing will continue in encampments.
- Testing is a condition of referral into the isolation/quarantine care centers. DHS medical staff will continue to administer tests at those locations to guests.

## Access to Housing

---

Strategies to improve access into permanent housing include:

- The Response Team is accelerating work on strategies to maximize housing placements as persons exit Isolation/Quarantine units, that can include increasing access to existing market units, new acquisition/rehabilitation projects. A Re-Housing Strategy is anticipated to be brought before the City and County governing bodies in June.
- Sacramento is one of eight communities in the State to receive technical assistance from HUD on Re-Housing.
- The Response Team is working with veteran homeless service providers on connecting isolation/quarantine guests to VA programs including Supportive Services for Veteran Families (SSVF) and HUD-VASH.

In addition, housing efforts continue more broadly:

- Since April 8, 31 families have moved into permanent housing from the City's Pathways and the County's Flexible Supportive Housing Program with a Housing Choice Voucher.

## Acknowledging Our Partners

---

We wish to acknowledge all the public, private, and community partners whose efforts are helping keep people experiencing homelessness safe and slow the spread of the COVID-19 virus. This week's featured partners are providers of existing emergency shelters.

Thanks and appreciation to all of our community's shelter providers who continue to serve the most needy in our community. When the COVID-19 pandemic began, there was uncertainty as to the full impact it would have on our entire community, both our homed and unhomed residents. Each day, shelter workers put our community first and have been a consistent presence in so many lives, offering safety, stability, and hope during such challenging and uncertain times. By not giving up and being responsive and flexible to changes in program operations, our shelters were willing to risk their own health to serve those who would otherwise not have a safe space to shelter in place. They are the often overlooked and unsung heroes of our community. This week, and as always, we give thanks and gratitude for their continued passion, hard work, and dedication!
