

Children's Refreshment Schedule

2016-2017

Parents, thank you for sharing the load of providing refreshments for our children. Below is the schedule for serving refreshments prior to Sunday school in the Children's Activities Room. Please plan to arrive in the Activities Room by 9 am, so the children have time to eat and get to Sunday school on time. Please provide food for at least 4 dozen children and one half gallon of juice or milk. You may bring other food besides doughnuts or doughnut holes. Feel free to be creative but **remember that treats should be peanut-free**. Plates, cups, and napkins are provided by FBC. Give Becky your receipts if you would like to be reimbursed for the expense.

Please remain in the Activities Room as chaperones during the refreshment time. With over 50 children in the room each week, we must have parents present to help supervise. We dismiss the children at 9:25, so you will be able to attend your adult class.

We will send a reminder email early in the week of your scheduled date. Please make every effort to switch with another family if you know of a conflict in advance and let Becky know. For phone numbers, feel free to use the Church Directory or the Engage feature on the church website. Thank you! The kids love it and the Children's Ministry Committee appreciates it!
