Home Repair Program
City of Dover Home Repair
Open Application Event

Thursday, April 17th

9:00 am - 2:00 pm

Location: Bayard Plaza
204 W. Loockerman Street
Dover, DE 19904

Milford Housing Development Corporation (MHDC) is looking for low-income homeowners located in the City of Dover in need of home repairs. The City of Dover has granted MHDC with funding from the CDBG program to provide repairs to qualified homeowners. All applicants must agree to the requirements of the grant to qualify. Program funds will be used to make the home functional, safe, and healthier.

MHDC will assist qualified City of Dover Residents on a first come, first eligible basis subject to a complete application and qualification.

*Pre-qualification does not guarantee approval for services. Approval cannot be granted until all required documentation has been received from the household.
