

The City of Dover has designated April 6 - April 17 2026, as SPRING CLEAN UP, it is intended to encourage all residents with City of Dover trash service to clean up and beautify their premises.

Spring Clean Up items should be put out the same day as your regular trash day for pick up.

We ask residents to set out trash by 7:00 a.m. on the day of collection.

Bulk yard waste items will be collected on the **same day as recycling**. **Bulk household items** will be collected on **your trash day, opposite week of recycling.** There will be NO CHARGE during Spring Clean Up for properly placed bulk items.

*(Please note: The City **WILL NOT** pick up items such as cement, tires, bricks, sand, and concrete blocks, construction material, hazardous waste. If you have questions regarding particular items for pick up, please call 736-7025.)*

Spring Clean up is **only for residential properties** in the City of Dover and does not apply to commercial accounts. All bulk items must be placed in the vicinity of your regular trash collection area.

Every residential property is designated
1 bulk household pick up and 1 bulk yard waste pick up.

Loose leaves along the curb or in the alley will be collected during Spring Clean up, weather permitting. Leaves cannot be in bags or contain litter or yard waste which includes sticks (no foreign objects or debris permitted). Such items will not be collected.

The schedule for leaf collection will be the **day after your regular trash pickup day**. (If your trash collection day is Friday, leaves in your area will be collected on Monday, April 6, 2026 and Monday, April 13, 2026.)

Questions concerning this program should be directed to the Department of Public Works at 736-7025.
