

Outstanding turn out for the Jack Conrad Memorial Youth Fishing Derby on Friday, June 18 with a record attendance of 69 kids ranging in age from 3 to 17 years old. Our biggest fish award went to Dylan Stonesifer with a 21" catfish!! A special thank you to Smith's Bait & Tackle for their overwhelming support and donation of fishing gear, including hats, shirts, fishing poles, bobbers and assorted fishing gear. The Dover Elks Lodge 1903 made this event possible with volunteers from beginning to end including registration, prepping gift bags, and tallying up the days catch for awards. This was truly a community event that everyone enjoyed. Remember, take a kid fishing!!
