HOW CAN I/WE JOIN THE TRIP?

All Members of CVOA are invited to apply. Members of CVOA as of March 31, 2025 will have first priority for selection as described below.

You must complete the attached trip application and mail it to the address specified, along with your **NON REFUNDABLE** application check, payable to CVOA for \$50/per person, via USPS 1st class on or after June 30, 2025, which is the initial application date. You do not need to send it Express, Priority or UPS/Fedex. It doesn't matter when I receive it, the postmark date of June 30th is the determining factor. (You might ask your local USPS clerk to hand cancel your envelope rather than just dropping it in the outgoing mail slot and trusting that it will be postmarked that day.) And no, hand deliveries to me will not be accepted. Applications received with postmarks prior to the initial application date of June 30, 2025 will be placed on a waiting list. Applications received after July 14, 2025 will also be placed on a waiting list.

The trip has 30 available seats. Two are held by the trip leaders bringing the total to 32. If fewer than 30 applications are postmarked before July 11th, all applicants will be invited on the trip. If more than 30 applications are received between June 30th and July 11th, trip members will be selected via random drawing based on postmark dates. First priority will be for members as of March 31, 2025 with applications postmarked on June 30th. Second priority will be for members as of March 31, 2025 with applications postmarked after June 30th but before July 11th. Third priority will be for members who joined after March 31st with postmarked applications between June 30th and July 11th. After the first priority group, applications will be considered in order of the postmark date. In the past, applications postmarked on the initial application date and the following week will fill the trip.

When the trip roster of 32 is filled, a waiting list will be created. The waiting list will be ordered first by members as of March 31st not yet on the trip roster with postmarked applications between June 30th and July 11th, second by members who joined after March 31st with postmarked applications between June 30th and July 11th and third all remaining applications postmarked before June 30th or after July 11th. Individuals on the waiting list will have the opportunity to be added to the trip list if cancellations are received.

While this might sound confusing, it really is not! It usually takes a few weeks to verify that all applications are complete and that all applicants are CVOA members. Once that is confirmed the drawing will occur and the trip roster will be emailed with further details.

With the trip roster completed, initial payment of \$750/pp will be due on or around 9/01/2025. Final payment in full will be due on or around 12//01/2025.

APPLICATIONS POSTMARKED PRIOR TO JUNE 30th WILL BE PLACED ON THE WAITING LIST!
