### *\*Happy, Healthy, Safe, & Blessed Summer!!\**

"Things get slow in the summer. Yet, the mission and ministries of our church continue even during the summer months. Please strive to tithe and share God's blessings!

If you are on vacation, please worship God and bring back a worship bulletin. Pastor Wayne loves to read them.

They say two out of ten church members invite others to come to church. Will you be one of those two and make a difference in the lives of others and ours? Please invite a friend, family member, neighbor to worship with us!

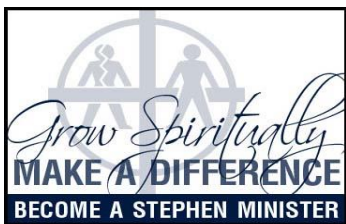

Things may get slower in the summer. And yet, it doesn't have to be so with our walk with God. Have a happy, healthy, safe, and blessed summer!"

**Ushers and Acolytes are needed** for the summer. Please consider using your time and make our worship experiences more welcoming and meaningful. There is a sign-up sheet located in the Narthex. **THANK YOU** for making a difference!

The FUMC Communications Committee is currently redesigning our church website. Stay tuned for the announcement of the launch of our exciting new website!

*Stephen Ministry is... a program of our congregation that equips lay persons to provide distinctively Christian one-to-one care to those who are experiencing all kinds of life needs and circumstances, both in our congregation and community.*

**We have been invited by our friends at Mt. Harmony UMC to participate in "The Dynamics of Family Life" series of workshops designed to strengthen and support families.** All of our families, regardless of how you define your family, experience joys and challenges in today's world. We invite you to participate in discovering how to manage the challenges and bring greater joy and strength to your family. These workshops will give you the opportunity to:

- Learn new information from guest speakers;
- Discuss issues and ideas with other families;
- Identify resources in the county to assist with specific issues/challenges;
- Determine specific actions you can take and practical tools you can use to strengthen relationships within your family;
- Enhance communication among family members;
- Connect with others who are working to strengthen the spiritual aspects of their family life;
- Celebrate and support all types of families in our congregation and within our community.

*Registration by September 1, 2016 is required. For information/registration form see the bulletin board in the Fellowship Hall or call Bonnie in the church office at 410-257-7133.*
