Thursday, May 30, 2019

Rotary Botanical Gardens, Janesville, WI

Keynote Speaker: Dr. Kathleen Wolf

Dr. Kathleen Wolf is a Research Social Scientist with the College of the Environment at the University of Washington (Seattle). Her research focus is the human dimensions of urban forestry and urban ecosystems, particularly human health. Another interest is the translation of scientific evidence for use in local government policy and planning.

Continuing Education and Outreach  
University of Wisconsin-Stevens Point
