

ALL-FLORIDA KIDS' CAMP 2023

IMPORTANT INFO FOR PASTORS & LEADERS

All forms must be completed entirely prior to confirm registration. Campers will not be allowed to stay at camp without a notarized form. Please mail all Adult Counselor Information packets to the address below by July 1, 2023. Thanks much!

CHURCH COUNSELOR POLICY:

To ensure we have the proper number of counselors for the amount of kids we expect this year, every church that sends campers is expected to send at least one counselor for every 5-8 campers. Please make sure that we have enough counselors to cover your kids whether girls or boys. If you send five (5) boys and four (4) girls, then we would need one (1) male counselor and one (1) female counselor.

BACKGROUND CHECKS, RECOMMENDATIONS & THANKS:

All staff volunteers must be background checked. There are NO exceptions. This is for the safety of all our campers. All staff volunteers are required to read, sign and abide by the camp policies and procedures.

Also included in the Staff Volunteer packet are Pastor & Employee/Professional Recommendation forms for each volunteer. Please fill these out and send those back in with their packets by July 1, 2023.

All volunteers will be expected to read and abide by the LPC3 Handbook, available for you to print for each volunteer.

We are so thankful for those adult volunteers who give their time to our SFD kids through serving at Kids' Camp. The \$99 is a greatly reduced fee and yet we know it is a lot to ask of those who are helping in such an impactful way. It is our hope that the local church will assist them financially. Thank you!

LICE CHECK POLICY:

Every Camper and Staff Volunteer MUST be lice checked before they can stay at camp. Please check BEFORE you leave for camp to help us with this issue.

CAMP PAYMENTS:

Please make all checks payable to: Southern Florida District
