

## *Message from the Executive Director*

On behalf of our Board, staff, and consultants, I would like to thank everyone that attended our events for Green Week 2022. GWRCCC hosted a panel on climate solutions, a Green Drinks Happy Hour, a meeting with the Biden-Harris Administration at the White House Eisenhower Office Building and participated in a community clean up. At GWRCCC, every day is Earth Day!

In May, GWRCCC will host a series of forums and webinars on local and state issues that impact clean energy and transportation. Additionally, on Thursday, May 5, at 11am we will host our quarterly Community & Industry Stakeholders Meeting to exchange ideas, increase engagement and advance our various priorities. Additionally, I am giving remarks on a diversity, equity and inclusion panel during the ACT Conference and Expo in Long Beach, California. Join GWRCCC for our Annual Golf Tournament on June 15, we still need golfers and sponsors!

On a day that's dedicated to fabulous mothers, I would like to give a heartfelt Happy Mother's Day! Additionally, I would like to say thank you to those that made the ultimate sacrifice for our country this Memorial Day.

Sincerely,

*Antoine M. Thompson*

Antoine M. Thompson  
Executive Director
