

The *All of Us* Research Program Virtual Event: Research It! Women's and Girls HIV/AIDS Care in the Gulf Coast

Join Us

Learn how you can be included in shaping the future of health care for you, your family, your community, and generations to come by joining us for an *All of Us* Research Program virtual event.

February 28th

Tuesday, February 28th, 12 Noon CT
Register via Zoom, below:
bit.ly/NHMALAWebinar

Presented by:

Dr Josh Matacotta, PsyD, MA, CAHIMS
Western University of Health Sciences
Dr Julia Garcia-Diaz MD, MSc, FaCP, FIDSA, Ochsner Health
Mariana Montero, MBA, Executive Director, Golden Change

NHMA is proud to host our Research It! Women's and Girls HIV/AID Care in the Gulf Coast Webinar. We have combined our “Let’s Stop HIV Together” campaign with our “All of Us” Research Program into an impactful webinar that highlights how increasing diversity in genetic research can help support HIV researchers and healthcare workers to provide care, increase adherence, or promote prevention strategies to vulnerable populations.
