## *Dr. Haviland's Journey*

My intentions after WesternU were set on serving in the military until the U.S. had completed its missions in Afghanistan and Iraq. As the final troops are withdrawing, I have met my objective. During that time I have traveled the world, helped people in need, and made many friends among our Allies and Partners. My journey has included getting married, and having two beautiful children. I recently received a Master's Degree in Strategic Studies at the esteemed United States Army War College, Senior Service College. Currently I am a Lieutenant Colonel stationed in Hawaii, and working to enhance security cooperation with Thailand and Malaysia.
