Join the WesternU community for Lotería!

Fact: Did you know Lotería, the iconic game with roots in 15th-century Italy, was brought to Mexico by the Spaniards in the late 1700s? It's now a beloved staple in many Latine/Hispanic homes! Fast forward to today, and Mike Alfaro, originally from Guatemala, has given Lotería a modern twist with Millennial Lotería, a fresh remake that reflects today's Latino culture. It's become so popular, it's sold out!
