

**EARLY INTERVENTION  
MONTH  
CELEBRATION WITH  
CORAKIDS**

**SATURDAY,  
MAY 22ND  
9am - 12pm**

**Join us in celebrating  
Early Intervention Month!**

CORAKids will be hosting a virtual event over Zoom to celebrate and bring awareness to Early Intervention. Early Intervention providers will be leading 15-30 minute presentations and discussions on topics pertaining to early childhood development.

Topics include:

- Feeding and swallowing from infancy through early childhood
- The role of service coordination
- The importance of tummy time and floor time
- How Early Intervention services differ from school-based and outpatient services
- Access to community resources
- The transition process from Early Intervention to school-based and community-based services
