Meet Mary Moseley
Newnan-Coweta Chamber Welcomes New Events & Programs Manager

The Newnan-Coweta Chamber is excited to welcome Mary Moseley as its new Events & Programs Manager, an outstanding addition already making a tremendous impact on Chamber programming, member engagement and overall experience.

Mary brings experience in event coordination, operations, marketing and member engagement, with a background spanning nonprofit leadership, healthcare administration, entrepreneurship and professional association management, including work with CoreNet Global and Bloom Our Youth. Known for her creativity, positivity and exceptional attention to detail, Mary has a natural ability to create memorable experiences that make people feel welcomed, engaged, and connected.

“Mary brings an incredible combination of creativity, organization and heart to our Chamber culture,” said Candace Boothby, president and CEO of the Newnan-Coweta Chamber. “She has already made a tremendous impact on our programs and member experience, and we are absolutely thrilled to have her on our team.”

Adding to the excitement, Mary will participate in TRC training in the coming weeks with nationally recognized chamber professionals Jason Ebey and Anissa Starnes with YGM as the Chamber prepares for its fourth Total Resource Campaign season. The Chamber’s TRC has grown more than 50% in just three years, a reflection of strong volunteer and staff leadership, member engagement, and strategic partnership with YGM.

Please join us in welcoming Mary to our Chamber family!
