Cartersville-Bartow County Chamber of Commerce Celebrates Milestone Moment with 1,000 Members

Cartersville, GA – [July 27, 2026] – The Cartersville-Bartow County Chamber of Commerce is proud to announce a major milestone: the organization has officially reached 1,000 members, marking a significant moment of growth, momentum, and collective impact across the business community.

More than just a number, reaching 1,000 members represents 1,000 businesses, organizations, and leaders who have chosen to invest in Cartersville and Bartow County, and in one another. It reflects a strong and engaged membership base, as well as a shared commitment to strengthening the local economy and community.

While the Chamber is pleased to acknowledge McWhorter Media Group as the 1,000th member, this achievement is ultimately a reflection of the collective commitment of the entire membership to the Chamber's mission of: *Fueling Business. Equipping Leaders. Strengthening Community.*

"Reaching 1,000 members is a testament to the strength, collaboration, and vision of our business community," said Cindy Williams, CEO of the Cartersville-Bartow County Chamber of Commerce. "This milestone belongs to our members. Their commitment is what makes the Chamber relevant, trusted and impactful, and it inspires us to continue serving, connecting, and elevating this community."

The Chamber officially celebrated the achievement during a drop-in Member Milestone Celebration Event on Friday, July 24, from 7:30 – 9:00 AM at the Chamber of Commerce. The event included complimentary breakfast items, coffee, giveaways, and photo opportunities.

The celebration served not only as a moment to recognize this exciting milestone, but also as an opportunity to reflect on the collective impact of the Chamber's membership and the role local businesses play in shaping a strong and vibrant community.
