In 2019, Leo worked with the U.S. Department of Commerce and Vietnam Ministry of Industry and Trade, planned the Business Mission & Tour to Vietnam program for all the chambers in the USA and Canada. Leo also built up the tour operation and reception team at Hanoi, Da Nang, Hoi An and HCM City, contracted with Vietnam internal airlines, cruise companies and hotels, inspected the local restaurant to serve group meals and tour attractions. After 20 years working experiences with chambers, Citisline served the chambers with loyalty, got high comment and reputation as return, so our Vietnam Mission program was booked by 120 groups within 3 days in August 2019.

Citslinc also has 50 new trip destinations to visit in the other nations and regions, we serve the chambers as a bridge to connect with other people of the world.
