

NOTICE OF POSITION OPENING

JOB TITLE: Women's Health Navigator

HOURS M-F: 8:00 AM – 5:00 PM

SUPERVISOR: CMO/Director of Programs for Women and Children

SALARY Commensurate with Experience

POSITION DUTIES/RESPONSIBILITIES: assist the Director of Programs for Women and Children to increase health care quality and access by improving process efficiencies to promote improved health outcomes for economically disadvantaged mothers and children of McLennan County. Act as the point of direct contact to FHC's women's health services for the public. Field calls from young adults seeking health care services and answering questions, connect the supply and demand for family planning and make referrals as needed.

REQUIRED EDUCATION, TECHNICAL TRAINING OR EQUIVALENT: LVN in good standing.

REQUIRED EXPERIENCE OR SKILLS: prior experience working with women or children in formal context either directly or indirectly. Excellent written and verbal abilities, passion for the vulnerable population that FHC is committed to serve. Cultural competency, and an understanding of equity and importance of human-centered services. Fluency in English and Spanish. Electronic health record proficiency preferred.
