NORTHGATE TO FORT HALL

The Idaho Transportation Department is developing improvements on Interstate 15 beginning at the Northgate Parkway Interchange (Exit 73) and ending approximately 1 mile north of the Fort Hall Interchange (Exit 80). Construction is anticipated to begin in 2024.

You're invited to learn more about the I-15 Northgate to Fort Hall reconstruction and widening project, view design details and provide input.

The open house will be available online. You are invited to view project plans and submit feedback.

Elements of this project are being funded with Transportation Expansion and Congestion Mitigation (TECM) funds as part of the Leading Idaho Program. The program allows ITD to accelerate project timelines to address rapid growth and build critical infrastructure today that would otherwise take many years to fund and build.
