

# St. Bonaventure Catholic School

## Tuition Assistance 2020-2021 School Year

*Limited tuition assistance is available for those families with validated financial need.*

To be considered for Tuition Assistance for the 2020-2021 school year, a financial aid application must be completed by **April 20, 2020**. Applications submitted **after April 20, 2020** will only be considered if funds remain available.

\*\*\*\*\*

### Tuition Assistance Process:

Log into FACTS and complete the Grant and Aid Application **online, submit the processing fee and substantiating documentation.**

(If new to the school, you will create an account in FACTS to apply for enrollment at St. Bonaventure School online. Once you apply, you will find the financial aid application in the Grant and Aid section of FACTS.)

Your application is not considered complete if the substantiating documentation is not provided including; 2019 Tax return, W-2, 2019 1099 income statements, and the most recent pay stubs for all applicants. **Your application will not be reviewed if all documentation is not provided.**

\*\*\*\*\*

Once the school receives the financial assistance recommendations from FACTS, applications are carefully reviewed and evaluated, and awards are made to those with the greatest need. The evaluation committee is comprised of the Pastor, Principal and Business office staff.

Please make sure that your application is **COMPLETE**. **Failure to submit all required paperwork will result in your application being placed on HOLD until the completed packet is received.** Financial Aid funds cannot be guaranteed for applications that are submitted incomplete.

Awards are for one year only. Families must re-apply the following year if assistance is needed again, with the understanding that funds are limited and assistance is not guaranteed at either the first application, or at any subsequent application.

If you have any questions regarding the tuition assistance application or evaluation process, please contact Colleen Hoffmann, Business Manager at 714-846-2472 x105.
