

## **Colchester Giving Garden**

The Giving Garden is still meeting weekly on Tuesdays at five o'clock to maintain, harvest and donate fresh vegetables to our town food bank and area soup kitchens. We have exceeded 1,000 lbs. so far this season and will be going strong right up into October.

It's not too late to join in and make a difference in our community. We meet every Tuesday at five o'clock in the garden at 95 Norwich Ave. The garden is located behind the "old senior center" and no gardening experience is necessary. We are always happy to welcome new volunteers.

Why not try something new? For more questions, please write to our email address at [colchestergivinggarden@gmail.com](mailto:colchestergivinggarden@gmail.com). Hope to see you soon.
