

## **Colchester Giving Garden**

**The garden is producing many different vegetables and we have already donated over 700 lbs. of produce to our town food bank and area soup kitchens to help feed those in need. We always welcome any new volunteers when we meet on Tuesday evenings in the garden so why not try something new? We meet at five o'clock in the garden which is at 95 Norwich Avenue behind the senior center.**

**The garden is having a first-time fundraiser on Friday, August 11th at the garden. Cold Spring Farm will be there with their food truck, the Farm Kitchen to provide some tasty farm to table dinners and we have a great selection of items donated that you can take a chance on to win. Many local businesses donated to our fundraiser!! A BIG thank you to them. Please check our Facebook page for more information or write to the garden at our email:**

**Also, check out our carrot sign on Norwich Ave. and follow how many pounds of food we are growing and donating! All of the vegetables grown in the garden are donated to those in need right here in our community.**
