

## **Colchester Giving Garden**

**The garden has finished its 2024 season of growing and donating fresh produce to the food insecure in our community. A large group of dedicated volunteers has once again had a successful season and has donated over 1,400 lbs. of fresh vegetables to our town food bank and two area soup kitchens. Since the inception of the garden in 2013 we have donated over 17,000 pounds of food to those in need!!!**

**The garden will start up again in the spring and anyone is welcome to join in and make a difference right here in Colchester. We'll be looking forward to welcoming you.**
