Physical distancing will be required. **Please bring your own yoga mat or beach towel to mark your space.** Masks will need to be worn when arriving and departing or anytime that being socially distant isn't possible. We know that distancing with young children is difficult so please consider your family's ability to participate safely before registering.

We're doing our best to gather while keeping everyone comfortable and healthy!

**\*\*Registration for lottery required:** Classes are free but space is limited. In an attempt to give more families and new families a chance to experience the class, registration is done through a lottery system. **Use the registration link to select ALL sessions that you are able to attend.** You will NOT be able to 'check out.' Your cart will show the classes you have selected for the **LOTTERY**. After the lottery is drawn, you will be notified by email which **ONE** class you were selected to attend. Siblings outside class age ranges are welcome. Please register one child and note the parent and any others that might be attending.

**\*\*Registration will go through March 31st.** The lottery drawing will take place the next day and families will be notified if they were chosen.
