

# Kyle's Smile

## A Memorial Fundraiser for Colchester's New Playscape

Kyle Ashley was a vibrant, athletic, fun loving kid who loved playing sports, digging in the dirt, playing in the snow, riding his bike, and spending time with his family and friends. Kyle was diagnosed with osteosarcoma in December 2017 at the age of 6 when his parents noticed he was limping. He bravely endured chemo therapy and amputation surgery called rotationplasty. Kyle lost his battle with cancer at age 7 on Dec. 18, 2018, with his mom Marci, dad Todd, and brother Jake by his side. Kyle is best remembered running fast at life and laughing.

*Our goal is to raise enough money to complete the Colchester Rec Plex playscape project in honor of Kyle and his spirit of play.*
