

## **Shredding Old Tax and Personal Records**

Residents and businesses of Colchester and area towns can safely shred their financial and personal records on May 22, 2021 from 9 AM to Noon at the Colchester Town Hall parking lot. Boy Scout Troop 72 will have a certified shredding company, "Pro Shed", in place to accept and safely shred your financial records. You can watch the items being put into the shredder and destroyed. Old personal documents, tax information and medical records etc. will be accepted. **Because of COVID 19 restrictions, please wear a mask and stay in your vehicle. Scouts will remove the items from your vehicle for you.**

Costs are \$5 for a bag the size of a plastic grocery bag and \$10 for boxes the size of a case of copy paper or case of beer. A bulk price can be negotiated for larger quantities of records. There is no need to take off paper clips or staples.

Don't throw your personal information and tax records away. Make sure your personal records do not fall into the wrong hands by taking advantage of this important public service.

Funds raised will be used to help Troop 72 maintain its equipment purchases, camping scholarships, enhance our monthly camping program, defray program costs, cost of summer camp and support the high adventure trips.
