

Come Grow with the Colchester Garden Club

The Colchester Garden Club is a 501(c)(3) non-profit community organization focused on horticultural education, hands-on learning, beautifying the community and offering our members many other benefits. A personalized welcome package is provided to each new member with information related to their gardening interests. Monthly meetings (4th Monday of month at 6 pm) most of the year include educational presentations. Community service projects benefit Colchester and provide an opportunity to learn from more experienced gardeners and certified Master Gardener members. Additional activities, garden Learn and Do sessions, garden tours and more are offered.

Individual Membership \$25.00/year

Couples Membership \$40.00/year
