

Colchester Giving Garden

The Giving Garden is in full swing now and meets weekly on Tuesday evenings at five o'clock. All are welcome to join in. The garden is located at 95 Norwich Avenue behind the old senior center. It's a great way to make a difference in our community.

Our local Stop and Shop has chosen the Giving Garden to be the recipient of their "Bloomin 4 Good " bouquet promotional for the month of June. One dollar from every specially marked bouquet sold will benefit the Giving Garden during June. A great way to support the garden as well as brighten someone's day. This is only valid at the Colchester location.
