

Colchester Giving Garden

The Giving Garden has had a banner year this season despite the drought and hot temperatures. We have had a great team of volunteers who have worked hard over the past six months to grow, harvest and donate over 2,200 lbs. of fresh produce to those in need in our community. During October we'll be finishing up the season and getting the garden ready to be put to bed for the winter months. We are still there on every Tuesday evening at five o'clock and welcome anyone to come and join in. The garden is located behind the senior center at 95 Norwich Ave.

During the month of October the garden is teaming up with our town Stop and Shop with a fundraiser for the garden. The flower department at Stop and Shop will be selling a "blooming for a cause" bouquet and each bouquet sold will have a dollar donated to the Colchester Giving Garden!!! This is an easy way to brighten someone's day [or your own] and help the Giving Garden too. Please keep this in mind during October to help the garden. We also accept donations any time of the year and can be contacted through our email at colchestergivinggarden@gmail.com Thank you.
