

Here is an announcement from the Colchester Soccer Club:

Hello Soccer Families,

Colchester Soccer Club is excited to announce that registration for our fall season is now open. We encourage all families to register early and often. We have two branches of our program, recreational and travel soccer. We encourage you to register your player wherever you feel your player would feel successful. Our club strives to create a fun and engaging experience for all our players.

More information can be found at www.colchestersoccer.org

Our Recreational program has divisions starting with Prek through 12th grade. Our Travel program starts for anyone U9, typically 3rd grade, and runs through U14/15, typically 8th grade.

Any questions about Travel, please contact Rob Hlasyszyn
@vp.travel@colchestersoccer.org, any questions about Rec please contact Matt Parsons
