

## **Colchester Giving Garden**

The Giving Garden is at rest for the winter, but we will be having an informative meeting about the garden on Thursday, March 14th at our town library. All are welcome to attend and find out more about the garden and how we prepare for the new growing season. The meeting will be held at 6:30 p.m. in the Norton Room B of Cragin Memorial Library. For more information write to [colchestergivinggarden@gmail.com](mailto:colchestergivinggarden@gmail.com). Hope to see you there!
