COLCHESTER PARKS AND RECREATION

2021 Summer Day Camp

More details about daily schedules will be added as it becomes available

AM Drop Off: Parents will remain in their cars, staff will escort campers to free play area.

PM Pickup: Parents will remain in their cars, staff will escort campers to their car for sign out.

We are booking guests and entertainment now! More soon!

Campers will be "sorted" into groups by our brand new, very own, Sorting Hat! Once everyone has been sorted out, campers will meet their group, find the perfect place at the RecPlex, name their group and build their FORT- using only the items found in 1 box!

Throughout the day, the group will rotate through activities that can only be found at camp. With COVID in mind, they will remain in their group, but everyone will help decide the plan for the day. Sharing, planning, compromise and friendship will be our focus!

Your kids might ask "Yeah? Like What?" We have new games, new programs and new ideas to add to the traditional camp favorites. Just a sneak peak- Learn to Ride Your Bike, Shoe Kick, Gold Rush, Hide the Bear, Are You Smarter Than Your Counselor, Tennis Baseball (and there are plenty more- but you will have to come to camp to find out!).

And the parents are probably asking, "OK, How Much?". We lowered the camp fee (lower than the past few years!) and eliminated the administrative fee and the T-Shirt. Since we don't expect to go on any field trips (BOOO COVID), campers are welcome to wear old camp shirts. If your child is new to camp, or collects camp shirts, you have the option of buying a new 2021 camp shirt when you register. Extended Care is offered on the days that your child is registered for camp. Pre-registration is required for both as camp forms and payment cannot be accepted at camp.
