

Colchester Giving Garden

The garden is up and running for its twelfth year of growing and donating all the vegetables to our town food bank and area soup kitchens. We have a great team of volunteers who come on Tuesday evenings, and we are always happy to have new members join in. You do not need to know anything about gardening, just show enthusiasm to help others. We meet at five o'clock at the garden which is located at 95 Norwich Ave. behind the existing senior center. The only requirement is that you must have closed in shoes, no sandals or flip flops. Hope to see you soon.

Our town Stop and Shop has chosen the Giving Garden as their recipient of their fundraiser for the month of June. The "Bloomin' 4 Good" fundraiser will donate \$1.00 from each special flower bouquet sold during the month of June to the Giving Garden. This is an easy way to support the garden while enjoying a nice fresh bouquet for yourself or to surprise someone with!! From June 1st until the 30th each Bloomin'4Good bouquet sold at our local Stop and Shop will mean a donation to the garden. This is only good at our Linwood Ave. Stop and Shop and only with the specially marked bouquets. Please consider this if you need a gift of flowers in June. Thank you.
