

## **Scouting Will Help Your Children Grow**

If you have children that are interested in learning about the great outdoors and aspiring to be part of an active outdoor program, then think Boy Scouting. Colchester is fortunate to have several great Scout Troops and Cub Scout Packs that will provide children with camping, first aid, environmental skills, cooking and learning events. Scouting also teaches leadership skills and creates adventures that will be lifelong memories. Hiking, camping skiing canoeing, archery, cycling trips and rock climbing are just a few of the program's elements that are available.

Most importantly one of scouting's strengths is a commitment to community service. Children who participate in helping others will be learning to be good citizens in their troop, in school and in our Town.

Boy Scout of Troop 72 meets weekly on Monday nights from 7 PM to 830 PM. All youth aged 11 to 17 are encouraged to attend our meetings at the Colchester Federated Church, 60 Main Street. Contact Troop 72 through Al Letendre at [letendrej@sbcglobal.net](mailto:letendrej@sbcglobal.net) for details and other program information.
