

Colchester Giving Garden

The Giving Garden is gearing up to start its 2024 growing season soon. We will have an informational meeting on Thursday, March 14th at 5:30 p.m. in Norton room B at the Cragin Memorial Library. This meeting is open to anyone interested in finding out more about the garden, how we operate the garden and also for folks to make suggestions on how to improve the garden. 2024 will be our 12th year of growing and donating all the vegetables grown by our team of volunteers. Since our beginning we have donated over 14,500 lbs. of fresh produce to our town food bank and two area soup kitchens. Anyone is welcome to help at the garden, no gardening experience is necessary. Hope to see you on March 14th!
